What are my obligations?

At quotation and before the start of the policy you must:

- Provide complete and accurate information.

During the term of your policy you must:

- Pay your premium. If you are paying by our Direct Debit facility, you must keep your payments up to date.
- Tell us about certain changes before continuing to use any insured car.
- Provide complete and accurate information regarding any changes during or at renewal of your policy. Examples would include but are not limited to, a change in your occupation, modifications to your car or convictions or disqualifications, including those that are pending.
- Take all reasonable precautions to prevent damage, accident or injury.
- Do all you can to protect the insured car from damage or theft and keep it in a roadworthy condition, including having a valid CVRT where required by law.
- Comply with the terms and conditions of the policy.
- If you are unsure about any of your obligations, please contact your intermediary for advice

In the event of a claim:

- You, or anyone driving the insured car, must not admit fault or responsibility, or pay, offer or agree to pay any money or settle any claim without our permission.
- You and all insured drivers must advise Allianz or your intermediary at your first opportunity of any incident that could lead to a claim and co-operate fully with us in the handling of the claim.
- You must allow us to inspect your car if requested.

Failure to meet your obligations could result in a claim not being paid, a reduction in the amount we pay or the cancellation or avoidance of your policy.

When and how do I pay?

Where there is an intermediary the payment should be made directly to them. Payment to us should be made as a one off payment before the policy start date or, if agreed, in instalments by direct debit.

When does the cover start and end?

Your policy will last for one year unless we agree to a shorter or longer period. The start and end date of your policy will be outlined on your policy schedule (period of insurance).

How do I cancel the contract?

You may cancel your policy at any time by returning the Certificate of Motor Insurance to us. Regardless of when you ask us to cancel the policy, the full annual premium is payable to us if you have made a claim which was your fault or if we are unable to recover our outlays from the responsible party.

To cancel your policy, please contact the insurance advisor you used to arrange this policy.

If permitted under the contract of insurance or consumer legislation you may have the right to withdraw from the policy. This can be done by giving notice within 14 days of the start date or when you receive your policy, whichever is the later. Withdrawal means that no cover was in force and no claim will be payable. You will receive a full refund.
