Help us to help you

At the time of an accident don't admit liability. Many people feel apologetic about accidents for which they are not responsible. Aggression by either party does not signify innocence either. Let us deal with the liability issue.

Please make a note of the name, address and insurance information (company and policy number) of the other people involved. Make a note of the registration numbers and the positions of any other vehicles. Obtain the names of any witnesses and Gardaí involved.

Tell us about the accident as soon as possible by calling Claims **091 762 727**. We do not require an accident report form to be completed in every case. However, we recommend that you draw a sketch which clearly shows the position of your car before and immediately after the incident while the details

are still fresh in your mind.

We operate an Approved Repairer Network which may be able to provide you with assistance in relation to the damage to your own car.

Please forward any communication received in relation to the accident to us without delay.

What the Law requires in the case of an accident

For your guidance the following has been extracted from the 'Rules of the Road'.

 - i) Name and address
 - ii) The name and address of the vehicle owner if different
 - iii) The vehicle registration number
 - iv) Evidence of insurance to a Garda, or if no Garda is present to anyone present who was involved in or affected by the accident – in any other case the information must be given, if requested to an independent witness.

All requests are free of charge although we reserve the right to charge an administrative fee for subsequent requests (such as when the request is part of a series of repeated requests over a short period of time). We endeavour to respond within one month from receipt of the request. If we do not meet this time frame, we will explain why this was in our response.

Please note that simply submitting a request does not mean we will be able to fulfil it – we are often bound by legal and legislative law which can prevent us fulfilling some requests in their entirety, but when this is the case we will explain this to you in our response.

Requests to restrict the use of your information or to object to the processing of your data may lead to RSA being unable to continue to service your policy and therefore lead to cancellation of your policy.
